## Nienkämper introduces the Dobi Lounge Chair A perfect example of understated design at its absolute best

TORONTO, September 22, 2011 – Nienkämper, a leading designer and manufacturer of fine office furniture products has announced today the introduction of the Dobi lounge chair, to be featured at IIDEX/NEOCON 2011, Canada's National Design Expo & Conference September 22-23 at The Direct Energy Centre in Toronto.

A graphic silhouette and a generous seat defines Dobi. This brand new multipurpose lounge chair is by its high level of comfort and attractive size an ideal chair for lounge areas, receptions, libraries and living rooms. With a crisp, elegant expression and a 360 degree perspective, Dobi can be specified into almost any design scheme. Its generous seat and supportive back combine to create a remarkably comfortable and relaxing experience. Dobi chair from Nienkamper sets the standard when it comes to aesthetic appeal, quality craftsmanship, and impeccable detail. Its understated sculptural form adds visual interest and brings elegance and comfort to guest and meeting areas, large and small. With a 360 degree swivel base and an ultra cozy bucket seat, Dobi is a perfect example of understated design at its absolute best. It is minimalist design with maximum potential.
