Nienkämper introduces SIMPLE Credenzas

Functional and affordable. SIMPLE adheres to virtually any setting and budget.

TORONTO, September 22, 2011 – Nienkämper, a leading designer and manufacturer of fine office furniture products has announced today the introduction SIMPLE credenzas, to be presented at IIDEX/NEOCON 2011, Canada's National Design Expo & Conference September 22-23 at The Direct Energy Centre in Toronto.

Functional and affordable. SIMPLE credenzas and storage pieces are designed to integrate seamlessly with the full range of Vox® products as well as other Nienkämper collections, for a cohesive and refined aesthetic. SIMPLE credenzas provide the right storage for every need, from training room to private offices, and conference rooms to boardrooms. SIMPLE adheres to virtually any setting and budget.

Adjustable shelves and finished interiors are standard, optional waste basket, air vents, and sliding racks for AV equipment furnished upon request. Classic casegoods construction and a solid self edge lend to a distinctive modern approach. Door pulls crafted in chrome plate or brushed nickel create a sense of understated elegance that does not distract from the fine finish of the wood case. Available in wood veneer and laminate SIMPLE credenzas offer value and versatility.

In keeping with the principle of sustainability, Nienkämper is committed to promoting the use of responsible materials and sustainable design. SIMPLE credenzas are manufactured using clean technologies, including VOC-free wood finishes and recycled-content materials, and available with FCS (Forest Stewardship Council) certified wood, SIMPLE can contribute to LEED® certification.

Established in 1968, Nienkämper is an internationally recognized designer and manufacturer of fine office furniture. Recognized as one of the 50 Best Managed Companies in Canada each year since 2009, Nienkämper is committed to being at the forefront of innovation; collaborating with forward-thinking designers; and pushing the boundaries of technology.
