BEST MANAGED COMPANIES – EIGHT YEARS IN A ROW!

TORONTO March 9th, 2017 – Nienkämper is proud to announce that we have earned the distinction of Platinum Club member of Canada's Best Managed Companies. We were first named as one of Canada's Best Managed Companies in 2009 and have re-qualified for eight consecutive years to maintain our status as a Best Managed company. This prestigious honour is awarded by Deloitte, CIBC, National Post, and Queen's School of Business and showcases Canadian owned and run companies that excel in overall business strategies and sustained growth.

“Approaching our 50th anniversary, we have experienced many challenges in the furniture industry, especially as the competitive landscape of the furniture manufacturing industry continues to change. Our ability to adapt to these changes has reinforced our position as a leader in the industry while strengthening our service and quality to our clients.” said Klaus Nienkamper. “We are very proud of this accomplishment. This award is a result of the collective effort and commitment made by our team in focusing on productivity, innovation and excellent customer service. We will continue to embrace challenges with innovative solutions that enable our firm to succeed”.

“Companies that have earned Platinum Club status in Canada's 50 Best Managed Companies program have shown a strong sense of vision and demonstrated a continued commitment to their corporate values,” said Jon Hountalas, Executive Vice-President, Business Banking, CIBC. “Platinum Club winners are examples of excellence in Canadian business.”
