Nienkämper NOW® Chair
Design: Mark Müller

The Nienkämper Now® Chair brings fine upholstery and contemporary aesthetics to the conference-room chair.

Height, back and tilt controls, firm lumbar support and a contoured back ensure a comfortable, ergonomic sitting experience.

Top stitching on the edges, a distinctive Y detail on the back and a tuck on the seat and back emphasize the chair's crisp, tailored elegance.

Base, caster and upholstery options, including leather-upholstered side arms, give Nienkämper Now® a wide range of uses, from meeting room to private office.
