Baden / Zürich
 Design: Robert Haussmann
 and Nienkämper

The simple lines of Baden and Zürich have made these series timeless classics. Visually inviting, they provide maximum luxury and comfort in two sizes. The Zürich was developed for applications requiring smaller-scale seating. The design details can be viewed favourably from any angle.

Frame:
 Hardwood frame construction with webbed suspension.

Seat and Back:
 Seat and back cushions are a down and feather combination wrapped over foam.

Special Features:
 Shown on front - Zürich 3 seat sofa (model 460-3).

Shown on center - Baden two seat sofa (model 312-2) and lounge chairs (model 312).

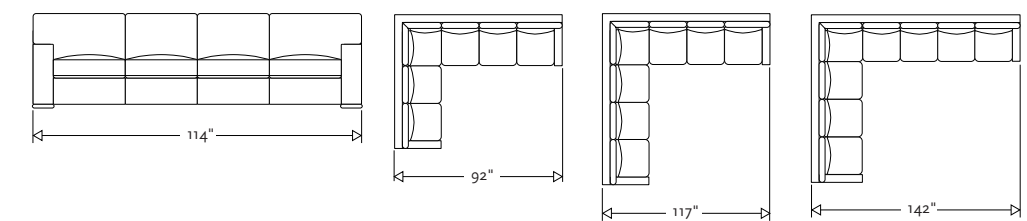

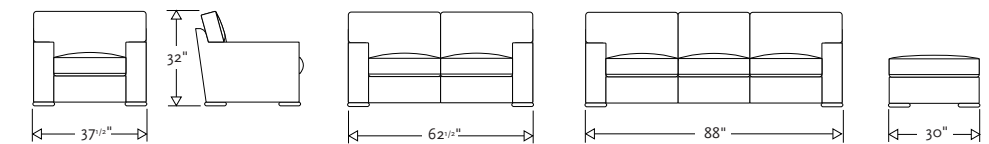

Shown above left - Baden lounge chair (model 312).

Above right - Zürich lounge chair (model 460).

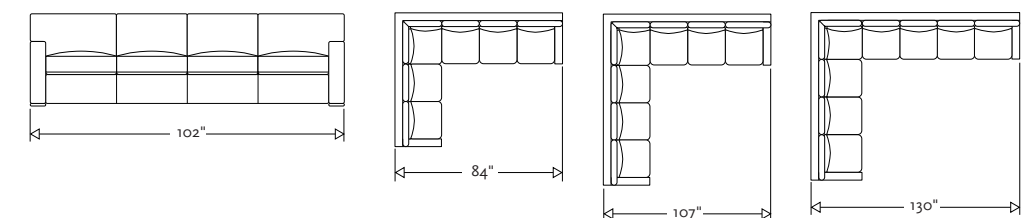

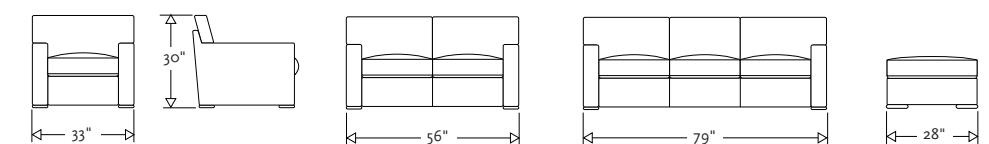

Both the Baden and Zürich series can be constructed in L-shaped configurations.

Refer to the Seating price list for complete details on both of these series.
