## PLEAT Dining Chair

Design: four o nine

The PLEAT Dining Chair is a dramatically cantilevered chair supported by a structural fold. Inspired by pleating techniques in fashion design, the PLEAT performs like a piece of fabric folded along its spine to provide shape, comfort, and structure.

PLEAT Dining Chair is rotation-molded 100% Polyethylene and is 100% recyclable. Available in white, black, grey and red.

PLEAT Dining Chair is also available in brushed aluminum and powder coated silver, white and black. Optional soy based foam padded seat and back cushions.

38" high, 20" wide, 20-1/2" deep, seat height 18".
