Moment Collection

Design: busk + hertzog

The Moment Collection of stools and tables deliver sophistication at every turn... From the cylindrically opposed taper configurations to the hang tite linking device. Balance and simplicity is achieved.

Soft upholstered elements are available in 2 configurations and offer a perfect opportunity to pause and reflect for a moment...

If your world is not about quiet reflecting, touch down for a moment and plug into the available connectively device.

Moment Tables are available in veneer or durable paint finish, with or with out pop up connectivity device.

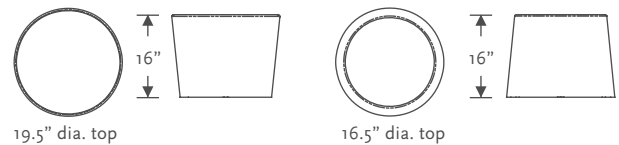

Moment Stools are available as individual units or ganged.

An excellent solution for public spaces.
