The curvaceous shape and soft molded foam of the Blob is conducive to fabrics with some stretch and minimum pattern.

When upholstered in two different fabrics or leathers, use the COM price and ship your fabric yardage or leather square footage to Nienkämper. See page 8 for COM and COL details.

Seams can have matching or contrasting stitching. Matching or contrasting welting detail can also be specified.

\*For patterned or directional fabrics please contact Customer Service at 800.668.9318 for yardages.

Fabric to be upholstered on Blob requires approval from Nienkämper's factory. Please contact customer service at 800 668 9318 for our fabric approval list.
